REASONS FOR ALLOWANCE

Claims 1-45 are allowed.

The following is an examiner's statement of reasons for allowance:

As per independent claims 1, 38, and 42, the prior art does not teach supplying power to meet the power demand of a cooling system component using one or more of a primary power system and a secondary power system based on whether an operating level of the cooling system component exceeds an operating level threshold.

As per independent claim 24, the prior art does not teach a power delivery control device operable to control an amount of power by the first power system and the second power system to the cooling system component based on an operating level of the cooling system component.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marc E. Norman whose telephone number is 703-305-2711. The examiner can normally be reached on Mon.-Fri., 8:00-5:30, with first Fridays off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Denise Esquivel can be reached on 703-308-2597. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
